

**For Immediate Release  
October 12, 2018**

## **CSV T Update for Upcoming Week**

**Montoursville, PA** – Work is progressing on the Northern Section of the Central Susquehanna Valley Transportation (CSV T) project in Northumberland, Union and Snyder counties as follows:

### **River Bridge:**

The contractor, Trumbull Corporation, will continue work on the CSV T river bridge.

The erection of Span 2 will continue through October. Beams are set in Spans 3 through 8.

Piers 9 through 14 are under construction on the east side of the river. Equipment will be working adjacent to Route 147. Watch for slow moving vehicles in this area.

### **Winfield Interchange:**

The contractor, New Enterprise Stone & Lime Co., Inc., will continue construction of the bridges over existing Route 15.

The contractor has completed paving on existing Route 15 in both directions but single lane conditions are expected to remain in place into next week while finishing work is completed.

The contractor will also be performing drainage work throughout the project.

### **Northumberland County:**

The contractor, Trumbull Corporation, will continue working on two bridge locations: Wooded Run Bridge and Chillisquaque Creek Bridge.

The contractor will also be performing drainage related work throughout the project.

For more information on the CSV T project, please visit [www.csvt.com](http://www.csvt.com).

Motorists can check conditions on more than 40,000 roadway miles by visiting [www.511PA.com](http://www.511PA.com). 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 860 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
