CSVT Update for Upcoming Week

Montoursville, PA – Work is progressing on the Northern Section of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties as follows:

River Bridge:

The contractor, Trumbull Corporation, will continue work on the CSVT river bridge.

Superstructure work continues on the eastern portion of the bridge, while substructure work is in various stages on piers on the western portion of the bridge.

Equipment will be working adjacent to Route 147. There will be periodic lane closures under flagging through the winter.

Winfield Interchange:

The contractor, New Enterprise Stone & Lime Co., Inc., will continue construction of the bridges over existing Route 15.

Route 15 is open to two lanes in both directions except for limited daylight closures.

The contractor will continue drainage work throughout the project.

Northumberland County:

The contractor, Trumbull Corporation, continues work on three bridge locations: Wooded Run Bridge, Ridge Road Bridge and Chillisquaque Creek Bridge.

The contractor will perform grading throughout the project.

For more information on the CSVT project, please visit www.csvt.com.

Motorists can check conditions on more than 40,000 roadway miles by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 860 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
