## **CSVV Update for Week of April 17**

**Montoursville, PA** – Work is progressing on the Northern Section of the Central Susquehanna Valley Transportation (CSVV) project in Northumberland County as follows:

Lane closures for road widening work will continue next week on Route 147 north of Ridge Road.

Traffic will be shifted to the southbound shoulder while widening is performed on the northbound side of the road. The contractor will begin work Monday morning and continue around the clock through Friday.

This work will require lane closures with flaggers providing traffic control. Motorists should expect delays and plan their travels accordingly.

No work will be performed or lane closures implemented during weekends.

The river bridge portion of the project continues with work on the piers on the west side of the river.

Motorists can check conditions on more than 40,000 roadway miles by visiting [www.511PA.com](http://www.511PA.com). 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 770 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
