CSVT Updates

Montoursville, PA – Construction continues on the Northern Section of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties as follows:

Traffic Alert

Beginning Monday, June 14, Route 15 northbound will have daily lane closures. The northbound right (driving) lane near the future interchange south of Winfield will be closed during the day and reopened each evening.

Route 15 southbound right (driving) lane will continue to have the long-term lane closure while work is performed on the sign structure foundations.

Other Construction Updates

Construction activities continue on both sides of the River Bridge. The prime contractor, New Enterprise Stone and Lime Co., Inc., has completed most of the mainline concrete paving on the Northumberland side and is working on concrete paving operations near the future Winfield interchange.

For more information on the CSVT project, please visit www.csvt.com.

Work on this project will be in accordance with Centers for Disease Control and state Department of Health guidance as well as a project-specific COVID-19 safety plan, which will include protocols for social distancing, use of face coverings, personal and job-site cleaning protocols, management of entries to the jobsite, and relevant training.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
