CSVT Northern Section Changing Traffic Patterns

Montoursville, PA – Motorists are advised that the long-term lane restrictions along the Central Susquehanna Valley Transportation (CSVT) Northern Section will be lifted.

On Thursday, October 27, the work requiring long-term lane restrictions has been completed on the Northern Section of the CSVT. The new roadway is now completely open to traffic in both directions. Motorists are urged to still drive with caution as they navigate the area. The contractor New Enterprise Stone & Lime Co. will be using short term and mobile lane closures for the remaining work.

For more information on the CSVT project, please visit www.csvt.com.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
