Portion of Route 405 to Close Next Week in Northumberland County

Montoursville, PA – Motorists are advised that a portion of Route 405 will be closed starting next week in West Chillisquaque and Point Townships, Northumberland County, for road construction as part of the Central Susquehanna Valley Transportation (CSVT) project.

Starting Monday, August 1, Route 405 will be closed to traffic between Housels Run Road in West Chillisquaque Township and Route 1024 (Ridge Road) in Point Township. Route 405 will be reconstructed near the intersection with the former Route 147.

A detour using Ridge Road, Route 147, Route 45, and Route 405 will be in place for approximately two months. Local traffic will be able to access businesses and homes. The reconstruction of this portion of Route 405 is expected to be completed by September 2022.

Motorists should be alert, slow down, watch for detour signing and road closures and allow for additional commute time for the detour routes.

For more information regarding the CSVT motorists can visit the website at [CSVT | Welcome to the Central Susquehanna Valley Transportation Project Website](#) or view a map of the new route designations at: [CSVT Route Designation Map](#).

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by [following regional Twitter alerts](#).
