## **CSVT Update**

**Montoursville, PA** – Construction of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties continues with the construction phase of the Southern Section.

On Monday, July 11, the contractor, Trumbull Corporation, will begin to construct a right turn lane on Route 15 southbound onto Grangers Road, just south of the new Winfield interchange.

Motorists should expect daytime lane restrictions and changing traffic patterns. Work on this new turn lane is expected to be completed in late September, weather permitting.

Work next month will include the implementation of a month-long detour of Grangers Road between Route 15 southbound and Park Road. The detour will be Route 15 southbound to Sunbury Road and Park Road. Updates to follow.
