

FOR IMMEDIATE RELEASE
April 25, 2022

CSVT Update

Montoursville, PA – Construction of the Central Susquehanna Valley Transportation (CSVT) project in Northumberland, Union and Snyder counties continues.

Traffic Alert

Motorists are advised of a long-term lane restriction beginning this week on Route 15 northbound and southbound. On Monday, April 25, motorists can expect the left (passing) lane to be restricted in both directions between Grangers Road and Route 304 in Union Township, Union County. Work includes construction of a mountable curb and left turn lane from Route 15 southbound to County Line Road. The lane restriction between Grangers Road and Route 304 is expected to be lifted by the end of May 2022, weather permitting.

Motorists should be alert, slow down, watch for lane changes, and drive with caution through the work zone.

Other Construction Updates

Construction activities continue on both sides of the River Bridge. The contractor, New Enterprise Stone and Lime Co., Inc., will continue paving of the new roadway, building a traffic island and turn lane, as well as miscellaneous construction activities.

For more information on the CSVT project, please visit www.csvt.com.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
